

Charles Darwin Was a Massive Satanic Fraud

by David J. Stewart | December 2014

Romans 1:22-23, "Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things."

Freemasonry is the first place where the diligent student of history should start when researching the roots of today's social chaos, the bogus lies of evolution, pseudo-Christian false religions, the fraudulent Federal Reserve System, U.S. economic woes, widespread legal injustice, controlled mainstream newsmedia, hi-jacking of The White House, the corrupting of our youth through immoral media and other blatant evils.

Colossians 2:8-9, "Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. For in him dwelleth all the fulness of the Godhead bodily."

Freemasons are the custodial architects of the now forming world government, aka, the the New World Order (NWO). This satanic plot for world domination has existed since the beginning of time, when Satan attempted to unite men against God at the city and tower of Babel, but God hindered them until modern times (Genesis 11:7-9). Here's an excellent [56 minute MP3 history of the NWO](#).

It was during the mid 19th century that Freemasons and other Luciferian-worshipping occult groups launched a full-scale effort to infiltrate, divide and conquer numerous influential institutions (such as the banks, churches, government and schools) for the sake of working generationally toward creating world government. If you'll keep this foundational truth in mind as you study American history and search for the truth, you'll not be led astray. In this particular article I want to focus on the infamous father of evolution, Charles Darwin (1809-1882), who in 1859 wrote his occult-inspired work, *On The Origin Of Species*.

**Darwinism is an Illuminati Scam
by James Perloff (henrymakow.com) | August**

"We are constantly, by means of our press, arousing a blind confidence in these theories... Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism." (Protocols 2:2-3)

The Illuminati have long known that if you destroy belief in God, people will cease to fear God and to obey the Ten Commandments. They then become pawns of the Illuminati, willing to serve money instead of principle, and carry out iniquities from sexual misdeeds to even murder.

In the Illuminati propaganda arsenal, the greatest tool for destroying faith in God has been Darwin's theory of evolution. I know some say "I believe in evolution and God." Nonetheless, countless people have become atheists from being taught the theory as "fact" - I was once one of them.

However, Darwinism cannot be challenged on morals alone. The public has been told evolution is "science," on a footing with physics and chemistry. Therefore Darwinism must be challenged on scientific grounds.

As author of two books on Darwin's spurious theory, I know one cannot discredit, in a few paragraphs, an idea which the Illuminati have spent millions to indoctrinate society with. But let's dent it, shall we?

...But take evolutionary claims. Darwin said we lost our body hair because our apelike ancestors preferred mates with less hair. How do you disprove that? How do you disprove that "Lucy" (fossil bones found in Africa) was our ancestor? Laws of physics and chemistry can be tested in present time. Evolution, however, mostly constitutes opinions about the

past, and one cannot test the past with the same authority as the present.

Charles Darwin was a high-level Freemason and Luciferian-worshipper. Darwin's theories on evolution were nothing more than fraudulent so-called "scholarship" intended to form the basis for dehumanizing mankind in order to murder millions. In 1775, *The Order Of The Illuminati* founder, Adam Weishaupt (1748-1830), revealed a blueprint for world government. In order to succeed, a sinister ideal was required to reduce humans to the level of cattle to be slaughtered. The infamous father of 20th century communism, Karl Marx (1818-1883), published his Communist Manifesto in 1848, which reiterated Weishaupt's blueprint for world government.

Tragically, it was Darwin's very philosophies that would consequently inspire the brutal murder of 100,000,000 people during the 20th century. Monstrous dictators: Lenin, Stalin, Hitler, Mao and PolPot were all devout followers of Charles Darwin's evolutionary theories, because they lowered human beings to the mere level of animals to be taken and destroyed on a whim. You've absolutely got to watch the following 2:08 hour full-length documentary film about Lenin, Stalin, Mao and PolPot...

I feel sorry for young people today who are deliberately misled in history class, brainwashed with lying propaganda. The [Soviet Union](#) was a Marxist-Leninist state between 1922 and 1991, headquarter in Moscow. What you'll never learn in a social studies class is that the Zionist-led Wall Street gang in the United States, the Illuminati if you please, financed and recruited Vladimir Lenin as their puppet. Literally, Wall Street were the ones who started and financed the Russian Revolution. If you'd like to learn much more truthful history, please read the book, "[WALL STREET AND THE BOLSHEVIK REVOLUTION](#)" by Antony C. Sutton. Please read chapter four titled, "Wall Street And World Revolution." Darwinism is the Satanic Ideal Behind Abortion

You know, every blood-thirty war, the abortion industry, genocide, eugenics and mass-murdering psychopath dictators, all began with a peaceful ideal. Darwinism's Godless philosophies were expressed through peaceful books, mere words penned on paper. Yet, when adopted by a living monster, like Russian dictator Joseph Stalin, 60 million innocent people were murdered

between 1930-1950 in the Russian Gulags (work camps where millions were sent to labour under brutal conditions to build Stalin's numerous projects).

The ruthless Soviet Union of Russia was one of the most feared tormentors and killers of people in history. Yet, according to statistics, there are 117,000,000 missing persons in the U.S. today because of abortion (more than all the innocent people brutally murdered by the Soviet Union)...

The first step is to figure out the population loss due to abortion in America. Within pro-life circles we often hear a number of around 50 million aborted. This number is a significant undercount. A large reason for this undercount is because this total includes only those abortions after Roe v. Wade (abortion did not just magically begin in 1973). How many were aborted before the Roe decision? According to the very arguments presented by pro-abortion activists in favor of the Roe decision, there were as many as 1.2 million abortions annually in the 1950s and 1960s.

A true analysis of the population loss due to abortion would also require a consideration of not just those aborted, but also the children (and grandchildren) that would have been born to those aborted. To figure the total American population loss due to abortion I start my analysis in 1950, roughly at the beginning of the Baby Boom. I take the cumulative number of abortions each year and appropriately control for the respective annual birth rates, infant mortality rates, and general mortality rates. The verdict, as of 2010, America has sustained a population loss of at least 117 million persons due to abortion. This is roughly a third of our population.

We are so blessed to live in a free country today in the United States; but we are quickly losing our liberties due to our wickedness—turning away from God, forsaking the Bible, hurting each other, and indulging in every form of idolatry, sexual immorality, perversion, dishonesty and vice. People just don't genuinely care about others much these days. What do you expect in a society that has murdered over 117,000,000 of its own precious children by abortion!!! Nobody hardly flinches anymore over the evils of abortion. Our society has become numb to the killings, accepting abortion quietly, feeling like it's a losing battle to fight anymore.

May I say, our rescue efforts should be to reach young women before they have an abortion; to lovingly offer them alternative solutions such as adoption,

and to inform them of the numerous serious risks and dangers of abortion that Planned Parenthood will never tell you. Ozzy Osbourne's wife, Sharon, attributes two miscarriages to her abortion (that she felt forced into by her mother) at age seventeen. I commend Sharon for being honest. We'll never see Roe Vs. Wade overturned in this hellhole society, but we most definitely can help convince several thousand mothers not to let some Nazi-minded, Stalin-oriented, Mao-supporting, psychopath doctor butcher her precious and growing baby!!! Once that baby is out of your womb and in your arms as a new mom, you're going to cry to God in gratitude for a healthy baby, and rejoice greatly that someone cared enough to tell you the truth.

You must understand that the the ideals of Darwinism, natural selection and evolution can only exist apart from faith in God and the Holy Scriptures. The Bible reveals that God lovingly created mankind in His own very image, as the object of God's redeeming unconditional love, Who sent His only begotten Son, Jesus Christ, into the world to die on the cross for our sins. Evolution is atheistic in nature. All of history's most ruthless mass-murdering dictators were atheists. Without God men can only become monsters!

Liberty and Freedom are Rooted in Faith in God

A college student once wrote to me years back and was given an assignment by her professor to explain the philosophy behind America's freedoms. She said that while in class, her heathen teacher said that God had nothing to do with our liberties. The student didn't know how faith in God related to our freedoms, so she asked me. I was glad to explain to her that faith in God means faith in a divine Lawgiver and Judge. It means faith that we were all created by God and that we must stand before Him one day in eternity and give account of our self. Hence, it is our faith in God that compels us to live morally upright lives, and to love our neighbours as our self, treating others the way we want to be treated, and obeying our Creator, knowing that the eyes of the Lord are in every place beholding the good and the evil. **Proverbs 15:3, "The eyes of the LORD are in every place, beholding the evil and the good."**

Without faith in God man becomes his own God. This is the sin of idolatry, which means, putting something or someone else before God in our life. Without God and His Words (the Holy Bible) by which all men are commanded to live by, then man decides for himself what is good or evil (which is what got Adam and Eve into trouble). God decides what is good or evil, not me or you. Since mankind is always changing, prone to evil because of our inherent sinful nature, man's moral code of conduct is always deteriorating. This is why America is slowly but surely going down into the pits of Hell morally. Hollywood, television and the music industries are continually waxing worse-and-worse with evil. Everything is so sick and perverted these days.

I was taking a walk yesterday in a public park and heard loud music (noise) playing which repeatedly said, "Make your booty shake! Make your booty shake!" There were families and little children hearing that garbage. Sadly, such music is now commonly accepted in American culture. Everywhere we go in public nowadays, people are covered in tattoos. My how times are changing

for the stranger. Youth these days do not respect their elders. We're living in a society of punks, whores and heathens. The Word of God is scoffed. The holy name of Jesus is repeatedly cursed. Nothing is held sacred anymore, including neither the bed nor one's marriage vows. People lie, cheat and steal without hesitation, having no conscience on the matter. Woe unto America!

Only in a sensible society which esteems faith in God as a good thing, and submits to God's authority in the Holy Scriptures, can there be any genuine liberty and freedom. Men who will not be governed by God will be ruled by tyrants. The United States has succumbed to tyrants in The White House and other top government departments; such as, the Pentagon, FEMA, NSA, FBI and the Justice Department. It's all corrupted now. Yet, the average American still doesn't realize that we only have as much freedom these days as the Illuminati allow us to have. Once they confiscate our guns, and it's just a matter of time, then every American will begin to grasp the horrifying reality that the Communist brutalities of Lenin, Stalin and Mao is still alive and well in the world.

Private gun ownership is the only thing keeping all those seemingly peaceful tyrannical ideologies (and seemingly dormant treasonous U.S. laws) on paper from becoming a hellish living reality in the life of every American man, woman and child!!! Read Isaiah chapter one for a striking comparison of Old Testament rebellious Israel to the United States today. Americans are partying in sin, thinking that God doesn't exist or else doesn't really care enough to do something about it. Our day of reckoning as a rebellious nation is soon coming!!! God will not be mocked.

Charles Darwin Was a Luciferian-Worshipping Occultist

History is shocking! Truly, the truth is always stranger than fiction. You couldn't make this stuff up...

THE MASONIC THEORY OF THE ORIGINS OF LIFE – The hidden link between Darwin, Marx, Nietzsche & Hitler

Those generally thought to be the founders of the theory of evolution are the French biologist Jean Lamarck and the English biologist Charles Darwin. According to the classic story, Lamarck first proposed the theory of evolution, but he made the mistake of basing it on the "inheritance of acquired traits." Later, Darwin proposed a second theory based on natural selection.

Though, here we must mention the name of another

theoretician who played an important role in the origins of the theory of evolution: Erasmus Darwin, Charles Darwin's grandfather.

Erasmus Darwin was a Mason. Though, Erasmus Darwin was no ordinary Mason, he was one of the highest ranking masters in the organization; a 33rd Degree Mason.

He was the master of the famous Canon-gate lodge in Edinburgh, Scotland. Moreover, he had close ties with the Jacobin Masons who were the organizers of the revolution in France at the time, and with the Illuminati, whose prime cause was fostering hostility to religion. That is, Erasmus Darwin was an important name in European Masonic anti-religious organizations.

Erasmus educated his son Robert (Charles Darwin's father), who too had been and made a member of the Masonic lodge. For this reason, Charles Darwin received the inheritance of Masonic teachings from both his father and his grandfather.

Erasmus Darwin hoped to have his son Robert develop and publish his theory, but it would be his grandson Charles who would undertake the enterprise. Although it came some time later, Erasmus Darwin's Temple of Nature was finally revised by Charles Darwin. Darwin's views did not have the weight of a scientific theory; it was merely the expression of a naturalist doctrine that accepts that nature has creative power.

The fundamental philosophy of freemasonry is based on Darwinism. That is because, though having no scientific aspect whatsoever, Darwinism is a fake ideology with a scientific guise propounded solely to make the mainstays of freemasonry (atheism, aimlessness, wars and degeneration) legitimate.

The Mason Magazine [printed in Turkey by the freemasons] explains why they support evolution theory as follows:

Darwin's evolution theory showed that many events in the nature are not the work of God. Freemasons try to impose Darwinism as a scientific theory. Darwinism is used as a tool to pave the way for the atheist Masonic powers to spread their deviant belief system. Therefore masons adopt the propagation of this theory as one of their primary duties.

***Mason Magazine* refers to this "masonic duty" as below:**

The greatest humane and Masonic duty we all own is to hold on to the positive science, to spread this belief among people and educate them with positive science [Darwinism] by adopting the view that this is the best and only way in evolution. An important example which proves the fact that Darwinism is one of the biggest deceptions of freemasonry is a resolution carried out in a mason meeting. The 33rd degree Supreme Council of Mizraim Freemasonry at Paris, reveals in its minutes its promotion of evolution as science, while they themselves scoffed at the theory.

The minutes read as follows:

"It is with this object in view [scientific theory of evolution] that we are constantly by means of our press, arousing a blind confidence in these theories. The intellectuals will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our agentur specialists have cunningly pieced together for the purpose of educating their minds in the direction we want. Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism..."

Masons openly admit that they will use the scientists and media which are under their control to present this deception as scientific, which even they find funny. When freemasons talk about the successes they arranged for Darwinism, they actually refer to infiltrating a deception into universities, schools, text books, into most of the mass media as a scientific truth, squelching the ones who have anti-Darwinist views, and hindering anti-Darwinist activities by

oppression.

By means of Darwinism, it was, of course, not difficult for freemasonry to cause outbreak of hostilities, to commit mass murders, genocide and racism. Freemasonry drifted the world into a horrible disaster by means of various senior freemasons, by making Darwinist ideology a basis to its objectives, and by brainwashing methods. This horrible plot caused more than 350 million lives. They experienced the destruction of two world wars without understanding what was going on.

In The Secret Cult of the Order, Antony Sutton states: 'Both Marx and Hitler have their philosophical roots in Hegel. It is here that one arrives at the Hegelian nexus where Darwin, Marx, and Hitler intersect. Recall that Nietzsche-ism, Darwinism and Marxism were all mentioned together in the Protocols of the Wise Men of Sion. This was no accident. Nazism (a variant of fascism) sprung from Nietzsche-ism. Communism sprung from Marxism. Both were based upon Hegelian principles. Moreover, both were 'scientific dictatorships' legitimized by the 'science' of Darwinism.

The interest of both Hitler and Marx in Darwinian evolution is a matter of history. While he was living in London, Karl Marx attended lectures on evolutionary theory delivered by T.H. Huxley.

Recognizing the odd synchronicity between the communist concept of class war and the Darwinian principle of natural selection, Marx sent Darwin a copy of Das Kapital in 1873. Enamored of evolution, Marx asked Darwin the permission to dedicate his next volume to him...

However, Fascism or Marxism, right wing or left ... while the foundation for each of these roads is Darwin's theory of evolution.

In fact, in Evolution and Ethics, Keith candidly stated: 'The German Fuhrer (Hitler) as I have consistently

maintained, is an evolutionist; he has consciously sought to make the practice of Germany conform to the theory of evolution' (Keith, Evolution and Ethics, 230)

In both the case of communism and Nazism, the results were enormous bloodbaths. This is the natural consequence of Darwinian thinking and the legacy of the 'scientific dictatorship.'

In applying the ideas of Darwin, both communists and fascists have murdered millions. Both of these groups find their origins in the elite (the Illuminati), who are still pursuing the same objectives today. According to the Darwinian mantra of 'survival of the fittest,' victory will demand bloodshed...

Atheistic freemasonry infiltrated to masses under the appearance of Darwinism and led millions of people to be murdered. This system of Satan himself ruined nations and became the primary perpetrator of massacres against believers. The methods of this system has always been tried to be shown as reasonable and thought to be shown to have a scientific base under the veil of evolution. The fact is however, apart from being bereft of a single scientific proof, every scientific evidence once again demolishes this theory. The fact that Darwinism is a great deception is a certified, proven fact.

Freemasonry is not the seemingly noble, innocent and uninvolved group which they appear to be. Appearance can be very deceiving. Satan himself appears as Christ, and his sinister ministers as preachers (2nd Corinthians 11:13-15). Charles Darwin didn't sincerely develop his theories on evolution; but rather, he was a puppet of the Illuminati, a face to put on every child's classroom wall, who was used to promote cleverly devised ideologies which would fuel the evil world of eugenics, genocide, sterilization, abortion, mass-murdering dictators and the death of 100,000,000 innocent human lives. As you have learned, anything can be justified; but only if you're willing to totally disregard the inspired holy Words of God almighty!!!

Interestingly, Adolf Hitler professed to be a Christian publicly, which he clearly was not. Hitler was heavily involved in Satan worship and the occult. The motivation for Communism's mass-murdering machine was always fueled by Charles Darwin's *On The Origin Of Species* (which is a blatant denial of Biblical

creation and the Creator). Man did not evolve from ape-like creatures. Darwin's theories, if you study them, are insanely ridiculous. Darwin claims that apes lost their hair because men preferred non-hairy mates. Science disproves all of Darwin's bizarre unscientific claims!!! Only a fool would choose Darwin's ridiculous claims over the inspired Words of God. Man's wisdom is foolishness to God. **1st Corinthians 1:21, "For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe."**

If you haven't watched the following 2:08 hour documentary yet, please do so: [The Bloody History Of Communism](#). The common denominator between mass-murderers Margaret Sanger, Vladimir Lenin, Joseph Stalin and Mao Tse-tung was a devotion to Charles Darwin's teachings on Natural Selection (aka, the survival of the fittest garbage). Whereas the heathen world teaches dog-eat-dog and every man for himself, the merciful God of the Holy Bible teaches, **"Thou shalt love thy neighbour as thyself" (Leviticus 19:18).**

1st Kings 21:20, "...*thou hast sold thyself to work evil in the sight of the LORD.*"
